April 2004

Dear Friends,

**Johannes Has a Burden**

In February, as we were in the midst of Pastoral Theology in our Bible Institute, Johannes questioned me about the steps he should prepare for as he looks to begin a mission out of his home in Wetethia. The town is a great area about five miles from the Thika church and has begun to grow into a good-sized community. Johannes works full time in a factory, but is already talking about when he can quit his job and begin serving God full time. We are excited about the prospects of working together with Johannes to begin the Bible Baptist Church of Wetethia soon after our return to the field.

**Mary Decides on B.B.C.**

Mary graduated from High School in May 2003 and has been helping out / furthering her studies in the year since that time. Recently we took her to Springfield, Missouri and after a couple of days in class and on campus, she feels that God is leading her to attend Baptist Bible College in the fall. Please pray for her as she breaks forth from the nest of home, family, and Kenya to begin her own life of service to God.

**Titus Begins His Internship**

Recently, Titus came to the Thika church to begin his two-year internship so as to fulfill the requirements for graduation from the Nairobi Baptist Bible College. He will be assisting in our youth ministry during our furlough, and then a much broader ministry after our return to Kenya. The fourth week that his **NEW** Sunday School class met, they had 23 in attendance, which is a great increase from zero. Pray for Titus as he serves God during this internship time.

For souls in Kenya,
