

# Doug and Donna STAMPER Your Missionaries In KENYA

July 2004

Dear Friends,

## **A Different Kind Of Life**

Since arriving back in the States, we have had the blessing of staying with my father who has been by himself since my mother's death last year. We are very thankful for the opportunity to share this time with him. As well as sharing a home with another, we are making the adjustment of having teens with jobs and many responsibilities outside the home. It is very strange to constantly be transporting one or the other of our daughters to work during the day. They are working two different places and have two completely different schedules. We miss having everyone home in the evening, and our regular African lifestyle.

## **A New Way To Pay**

Last month, Doug and I were on our way "home" on a Monday afternoon when we stopped at a restaurant for lunch. As we were finishing our meal, a man approached us and asked if we had been in Newark Baptist Church the day before. We answered yes, and after talking for a few minutes, he placed a \$20 bill on our table and said that it was to pay for our lunch. He and his family attend the church we had been in and had talked about our visit. We thank God for unexpected blessings.

## **Thinking About Home**

We have been enjoying our visits with the many churches and their members, but this has caused us to miss the blessing of being home when one of our supporting pastors, Bro. Mayes, along with his wife and daughter went to Kenya for a visit. We had the opportunity to talk with him upon his return and were blessed to hear first hand the news of home. He had a great time and brought home a unique outlook on missionary life and work. If you are interested, why don't you come over to Kenya and visit with us (when we get back home).

For souls in Kenya,

*Doug and Donna*

PS

The Thika church just had a Kenyan missionary in for a report of the work in Tanzania. We thank God for Bro. Muli and his family, serving God there in Dar Es Salaam. Pray for him.
